Visit [www.sherrillny.org](http://www.sherrillny.org) for more information about events and services.

*From the City Manager Brandon M. Lovett*

Our crews have been busy readying the City for the Summer. They are prepping the pool, parks and playfields for another season. Sherrill prides itself on being pet friendly and new Doggie Pot Stations have been installed on Betsinger Road and at Willow Park.

These new units compliment the two that were installed near City Hall and Noyes Park last year. Road painting of crosswalks and parking stalls has been completed. Crews have begun City wide beautification by planting flowers, spreading mulch, road markings and painting hydrants. Our 2018 road construction (paving, sidewalks and curbs) program will start up late-summer. In addition to roadwork, the Power and Light, DPW and Water shop will have their parking lots paved as part of the renovation projects at those facilities.

As part of a \$30,000 consolidated funding award received last fall, City crews have been working with engineers from Barton & Loguidice on a project related to our storm/sanitary sewers. We anticipate wrapping this work up this summer. The City was awarded a \$50,000 grant from NYSERDA due to our efforts to exceed four energy conservation actions to qualify and be named a Clean Energy Community. The City will be converting its antiquated street lights and other exterior lighting to energy efficient LED fixtures which will reduce maintenance and operation costs as well as provide a cleaner light for pedestrians and motorists. Senator Joseph A. Griffo (R-47) secured a \$10,000 DCJS grant for the City of Sherrill this winter which was earmarked for Police Department equipment. Many residents have seen the digital speed sign located throughout the City which was purchased with funds from this grant. The funding was also used to purchase of active shooter kits, new tasers, service weapons and a new police bike that will be in service this summer.

Some other community enhancements to look for are the new "Expression Swing" at Gordon Park, the ADA and dog friendly water fountain on the new paver walkway at Robertson Park made possible by a grant from the Community Foundation, new light pole banners and decorative retaining walls on Sherrill Road.

The 2018 concert series schedule includes some great new bands and returning favorites and we look forward to these community evenings. Our Fireworks Weekend is packed full of great events- there will be a Luau at the Al Glover Pool Wednesday July 25 featuring a performance by Gary Johnson on the pool deck, the City Golf Tournament has a new format- it

will be a 9-hole evening tournament at OCGC on Thursday July 26, Last Left will play on the CAC lawn Friday night July 27, the Silver City 5K will take place Saturday morning July 28, there will be a performance by Soul Injection Saturday evening at Reilly-Mumford Park, and a spectacular fireworks display will close out the night.

I'd like to congratulate Recreation Director Sara Getman on the birth of her daughter Lila, wishing you and your family the best.

It was a long winter, and it looks like the nice weather is finally here. Get out and enjoy the summer, we all deserve it!!

Regards,  
Brandon

**Notes and News  
from City Hall**

**Online Bill Pay for Utility Bills at [www.sherrillny.org](http://www.sherrillny.org)**- The City's online billing and payment service has been active since January and has been well received! Customers can receive and view utility bills electronically and *make payments online with a credit/debit card or electronic check*. A 24/7 payment line is also available by calling: 844-562-1918. You may view your bill anytime and make a quick one-time payment without registering or create an account to enjoy more features like automatic payments, saving a default payment method and viewing your history. Paperless billing is also offered, allowing you to replace your paper bill with electronic bills. Features include:

- an easy-to-use online portal to access your account & make payments
- payment scheduling for the same day or a future date
- automatic payments on the due date (AutoPay) or a day of your choice (Recurring Scheduled Payments)
- email reminders when your bill is ready, when a payment is pending and confirmation after making a payment
- Pay by Text- get text notifications about your bill and pay through text with your default payment method
- There are additional fees apply for online payments.*

All of these options are run through Invoice Cloud, the City of Sherrill's official payment portal. There are third party payment providers, available such as Doxo which are not affiliated with the City. They will accept your payments and allude to being tied to the City but are not and payments could take days from when you authorize until the time they release your payments, potentially causing late fees for you. Additionally, fees for their service could be as much as double the service fees that the City has to charge for its Invoice Cloud.

**Summer Schedule Notes-** City Hall and operations will be closed Wednesday-Friday, July 4-6 this year. Wednesday, July 4 garbage pick-up will be moved to Tuesday, July 3. Friday, July 6 garbage pick-up will remain as scheduled. The Al Glover Pool will be open all week July 2-6 but there will not be lessons on July 4. The City's Playground Program will also run that week except for July 4 (no Playground).

The Summer Meeting schedule for the City Commission (as opposed to the normal second and fourth Monday) will be June 11, June 25, July 16, August 6 and August 27. All meetings are held at 7pm in the City Court building.

## 2018 City of Sherrill Summer Concert Series

The 2018 Summer Concert Series kicks off Tuesday, June 26 and runs through Tuesday, August 28. The free concerts begin at 6:30pm in the Reilly-Mumford Memorial Park gazebo. We have some great new bands scheduled, along with some returning favorites. Bring lawn chairs, blankets and an umbrella in the case of light rain. Come out and enjoy the beautiful summer evenings with your neighbors.

### June 26 Classified

*Classified* is central NY's premier dance band with horns. Originally assembled in the early 1990s, the band features some of the area's most respected players. The talented musicians play various styles of music and the band is a local favorite.

### July 3 Eddie Arcuri

*Eddie Arcuri* is a country music singer-songwriter from Rome. He started singing at a young age, inspired by artists such as George Strait, Mark Chesnutt, and Clint Black. Eddie is known for his energetic performances and country roots. Attend his debut at Reilly-Mumford Park.

### July 10 Oldfield 5

*Oldfield 5* is named after the old Cazenovia telephone exchange where some of the band members are from. The band includes Sherrill resident Gary Powers and loves to play music and see people have a good time because of it.

### July 17 Showtime

*Showtime* is known as Central New York's ultimate cover and party band. They put on a great show and their concert is sure to draw a crowd.

### July 24 Fritz's Polka Band

Verona's polka princes are a local favorite. Enjoy a night of upbeat and fun music, featuring modern polkas, a little bit of country, and even some oldies rock 'n' roll.

### July 31 The Old Main

Welcome *The Old Main* to Sherrill! They play Folk-Rock to alt-Americana and are known for their original music and creatively reimagined covers. *The Old Main's* raw acoustic sound, and high-energy live performances are enjoyed by all.

### August 7 E.S.P.

*E.S.P.*, featuring Kirsten Tegtmeier, returns for a second year. The band's music is inspired by the tradition of jazz improvisation and features a contemporary sound that's appealing to a wide audience. Come listen to this talented group that includes Sherrill resident, Evan DuChene.

### August 14 The PartyNuts & Outdoor Movie Night

The *PartyNuts* perform oldie rock 'n' roll sing-alongs that are fun for all. After the concert stay to watch a movie under the stars. Look for the title coming soon.

### August 21 Central Winds

*Central Winds* is the area's premiere wind band made up of more than 40 local professional musicians and music educators. Their concert will feature a variety of genres of music and is sure to be an enjoyable evening.

### August 28 Matt Chase & Thunder Canyon

Matt Chase formed Thunder Canyon in 1993, and since then the group has been one of the top "Hot Country" bands in Central New York. The group's versatility and positive energy has made them a long time Sherrill favorite.

**From the Sherrill-Kenwood Volunteer Fire Department  
Professionals in service. Volunteers by choice.**

Have you ever wondered how you could give back to our community? When you hear sirens have you thought about how it would be to be IN the vehicle going to the emergency? Look no further than the Sherrill-Kenwood Volunteer Fire Department! The SKVFD is always looking for motivated individuals to help our community. Whether joining to become a fire fighter, EMT, or to do scene support, if you're at least 16 years of age come join us! The department holds drills every Wednesday night starting at 6:45pm. Stop by to learn more and for an application. We hope to see you!

**Summer Health Tips**

- Wear sunscreen: Use an SPF of at least 15 and apply 30 minutes before going outside and reapply every 2 hours or after swimming or sweating. Sunscreen should even be worn on cloudy days.
- Avoid strenuous activity from 10am-4pm, when the sun is intense.
- Get the right gear: Wear sunglasses with 100% UV protection, a hat, and cotton clothing with a tight knit. Dress babies in lightweight clothing with long pants and shirts, a wide-brimmed hat and keep their feet covered. Use strollers with canopies.
- Stay Hydrated: Be sure to consume enough water and avoid sugary or caffeinated drinks such as soft drinks.

**Campfire Safety Tips**

- Use only designated rings or pits on gravel or dirt to build your fire.
- Clear the area of any dry leaves and sticks and make sure that automobiles, tents, etc. are away from the fire.
- Check the weather forecast. Even a small amount of wind can blow burning debris or sparks onto a flammable surface or YOU!
- Stack extra wood upwind and away from the fire.
- Start building your fire with small sticks and twigs and gradually work your way up to the larger pieces of wood. When placing the large pieces of wood on the fire, point them inwards and use another piece of wood to shift them to their desired spot.
- Do not use gasoline, lighter fluid, etc.
- Keep the fire small and contained and never leave it unattended.
- Never allow children and pets to play or stand too close to the fire.
- Keep water and fire extinguisher nearby for emergencies.
- To extinguish the fire, make sure to drown the fire completely with water. Coals that are not cooled or extinguished can remain hot and capable of inflicting burns for 24 hours. To ensure they're out, don't bury them, which can keep them hot, instead, pour water and stir the ashes and embers until they're cool.

*Plan to attend the SKVFD Silver Knights Annual Chicken BBQ during fireworks weekend!*
