SHERRILL POWER & LIGHT

Temporary Service Policy

Temporary electric service **may** be provided at the discretion of Sherrill Power & Light. An application for temporary service must be submitted five (5) days prior to hookup. Standard temporary service is:

1. Possible when existing distribution facilities are within 15 feet of the property in question.
2. 20 amps at 120 volts.
3. Furnished with a pole or post mounted outlet at Sherrill Power & Light's designated location.
4. \$250.00 for any time less than nine months. This includes power (kilowatt hours), installation and removal. Payment in advance is required.
5. Not available for more than nine (9) months.

Any other temporary service requests (non-standard) will be handled individually by the Superintendent of Sherrill Power & Light.

Note: When a meter is installed at a property, any temporary service arrangement will end.
