Visit [www.sherrillny.org](http://www.sherrillny.org) for more information about events and services.

### From the City Manager Brandon M. Lovett

City road construction work should be wrapping up in the days ahead. Once again our City crews and contractors have worked hard to provide a top-notch final product. As mentioned in the Summer newsletter, the City applied for two DOT grants last year and was selected for this funding via the Transportation Alternative Program (TAP). The project will construct a sidewalk along the southern side of Route 5 that will connect Betsinger Road to Sherrill Road and provide access to all businesses. The City's selection committee chose Delta Engineering to perform the design, construction documents, and inspection. The work along this corridor will also include decorative lighting, landscaping, storm water mitigation and other amenities. The project is expected to be completed in 2021.

The City is eagerly anticipating the results of the 2019 CFA to finance the federally mandated updates to the Sewage Treatment Plant and some needed upgrades to its 40-year-old infrastructure. We expect the funding announcements in late 2019. We also expect word any day now from FEMA on the application status for two grants we submitted for new SCBA air-packs for our Fire Department members as well as funding towards a new Engine that will replace two of our aging apparatus.

The City received a tremendous amount of positive feedback on the 2019 Fireworks Weekend again this year. Hosting Friday's festivities and the road race all in one location proved to be a huge success. DownBeat Percussion was the buzz of the fireworks evening. The 2020 Fireworks Weekend planning has begun. Look for updates in the coming months. The City has been working closely with the Oneida Herkimer Solid Waste Authority (OHSWA) and in the weeks ahead will be delivering some updated information relative to refuse and recycling. The public had asked for this updated educational information and it will be available on the City's website too.

We will host our 3<sup>rd</sup> annual Fall Truck event at the CAC on Columbus Day from 10am-1pm. The event will feature large trucks and equipment for all to view and touch. Vendors with concessions and some additional activities will be available too. The City, in conjunction with the Sherrill Merchants Association, will host a Tree Lighting Ceremony on December 2 at Reilly-Mumford Park. This year the time has been moved to 5:30pm to allow families with young children to participate.

On behalf of the City of Sherrill I'd like to congratulate Jami Grobb on his recent retirement from the City of Sherrill. We wish you all the best and thank you for your years of service to the City.

Regards,  
Brandon

### Sherrill-Kenwood Volunteer Fire Department News

We're always looking for members, especially junior members! If you're interested in firefighting, EMS, or scene support and are 18 years or older for adult membership, or 16 years for junior, visit the station during weekly Wednesday night drill at 6:50pm.

#### Family Fire Safety Tips

- Teach your kids how to respond in the event of a fire.
- Make sure young children know how to dial 911.
- Establish and practice a fire escape plan with your family that includes a designated meeting area outside the home.
- Practice stop, drop and roll with your children so they learn how to escape beneath a fire.
- Teach everyone multiple ways to escape from every room.
- Make sure that there enough smoke detectors in your home.
- Verify each month that smoke detectors are working.
- Make sure everyone knows how to use a fire extinguisher.
- Place lit candles where they can't be reached by children.
- Never leave burning candles unattended.
- Do not leave candles burning when you go to sleep.
- Don't leave cooking food unattended on the stove.
- Keep everything flammable away from your stove.
- Make sure all flammable substances are properly stored in safe containers and out of reach of youngsters.

### Sherrill Police Department News

-School is back in session! Drivers should stop for all stopped school buses and be aware of children crossing the roads.

-Studded tires are allowed October 15-May 1.

-The "No Parking" on city streets ordinance resumes November 1-April 30. This ordinance applies to all streets between 2-7am.

-Please be aware of scams and do not send money or give out personal information unless you can verify the request.

-Please remove all valuables from vehicles and keep doors locked.

### Christmas with a Cop

The Sherrill Police Department is excited to offer Christmas with a Cop again in 2019. The program is funded by donations from the community and the support from local residents and businesses has truly made this special. Donations must be received by December 6 and can be dropped off at Sherrill City Hall. Checks can be made payable to: *Sherrill PBA*. Members of the Police Department will shop for gifts and a small reception will be held on December 18 at 6pm at the Sherrill City Court for the kids to receive their gifts. Please contact Brandon Lovett at (315) 363-2440 or via email at [blovett@sherrillny.org](mailto:blovett@sherrillny.org) with questions.

### Assessor News

*State Requests for Enhanced Star Information-* As those who receive the Enhanced STAR Exemption know, it was mandatory last year that all recipients enroll in the Income Verification Program (IVP). Once this was done the State began reviewing income tax returns to determine continued eligibility. During their review they may have questions concerning your income that need to be answered by you. If you receive a notice from the State, please don't panic, just review the document and return it to the provided address with the requested information. The notice is rather harshly worded and has caused some people to become concerned. If you have any problem understanding what they are asking for or finding the information requested, please call the City of Sherrill, (315) 264-6362 or the Town of Vernon Assessor's office, (315) 829-2587 and we'll gladly help you.

If you are a Senior that has or will be eligible for a Partial Tax Exemption for Real Property of Senior Citizens, this exemption MUST now be applied for SEPARATELY from the Enhanced STAR. The Partial Senior Exemption MUST be renewed each year. The income limits for this exemption are much lower than that of the Enhanced STAR exemption, so please contact your Assessor if you have any questions concerning eligibility for this exemption.

The 2019 City Commissioner election will be held Tuesday, November 5, the same day as County & State elections.

There are four candidates vying for the three commission positions. They are (alphabetically) Breanna Colella, Tom Dixon, Patrick Hubbard & David Hyle. Early voting has been approved by the state legislatures and they are still working out details for that process. There will *not* be early voting for the Commissioner election. Voting for City Commissioner can only be done Election Day or through the absentee ballot process.

### Sherrill Garden Club News

The Sherrill Garden Club meets the first Tuesday of every month except July and community members are invited to attend presentations and learn more about the group. On October 1 the club will go to the Great Swamp Conservancy (GSC) in Canastota. The group will meet to carpool at 5:15pm at the parking lot next to Ebenezer's. At the GSC, there will be a short walking tour outside and then a presentation by Brianne Wilcox, educator, on beavers as the GSC celebrates the Year of the Beaver. Refreshments will be served by hostesses Jo English and Lois Licht. The November 5 meeting will be at the Sherrill library and begin with a business meeting at 6pm. At 7pm Ron Wagner of Wagner Farms, Rome, will present- Making a Kissing Ball for Christmas. The kissing ball tradition started in England during the Middle Ages and was popularized by Victorians who added other foliage and herbs to the interlocking evergreen branches. Refreshments will be served by Rebecca Pease and Shirley Kristan. The December 3 meeting will also be at the Sherrill Library and start at 6pm. To celebrate the holiday season, members will decorate Christmas trees at the library with handmade ornaments. Then the group will conduct their traditional auction to benefit the Navajo Water Project, donate items for the residents of the local DSO, and enjoy refreshments served by Fran Durant and Val Scott.

**VVS Community Rotary News**

Save the date to join your local Vernon-Verona-Sherrill Rotary Club on Saturday, October 26! VVS Rotary will host a Painting Pumpkins for Polio event for all community members and families to enjoy. There will be pumpkin painting, snacks, and beverages. Please come out to learn more about what Rotary has to offer locally as well as our efforts to eliminate Polio worldwide. Event details will be posted on our VVS Community Rotary Club Facebook page soon.

Rotary has been working to eradicate polio for more than 30 years, and they have made incredible progress in the fight to rid the world of this terrible disease forever. Eliminating polio from the last three countries where the disease remains endemic and to keep other countries polio-free remains crucial. Ending a disease is a massive effort, and Rotary and our partners can't do it alone. You can join us in our efforts to end polio by being a part of World Polio Day and supporting Painting Pumpkins for Polio. Please contact Jennifer, (315) 225-3459 with questions.
