MARIJUANA LEGALIZATION

Recently New York State legalized marijuana use and dispensaries in New York State. Information and rules and guidelines etc. are still not finalized or somewhat unclear. Each municipality in the State can opt out of allowing dispensaries within their municipal limits or it is automatically allowed. The opt out must be done prior to December 31, 2021. If you opt out, you can opt back in at a later date, but you can't opt out after December 31, 2021. There are revenue options to consider when opting out. The Commission will hold a information public forum at their June 28, 2021 meeting to further gauge the desires of the City.
