From The City Manager

Michael R. Sayles

I hope this letter finds you all happy and healthy and enjoying this fantastic run of late autumn weather. As we wound down the year, there was a large focus on the 2016 budget. After many meetings with department heads and City officials, and a couple of Public Hearings, we were able to adopt a budget that keeps City taxes virtually flat. At the same time, we are continuing to get a lot of work done around the City and prepare for the 100th anniversary celebration for next summer. Speaking of the 100th, there are a lot of events coming together for July 29 and 30, 2016. The volunteer committee members are doing a great job. We will have a weekend you will remember for a very long time...at least until the 125th.

I am sure that you have seen that the Public Works Department has been busy picking up leaves and completing a general fall cleanup. The weather of course has been a tremendous help and the City looks great! On a separate note, I am sorry to report that Jim Tiffin has submitted his notice to retire at the end of December. Jim has been a long time Foreman of our Public Works Department and gave all of us over 25 years of dedicated service. Not only that, Jim and his wife Wendy have raised their family here and Jim has been an avid supporter and coach of many youth sports. We wish Jim and his family many years of happy, healthy retirement (even though he won't let Wendy retire quite yet)!

The Power & Light crew has been busy with their many City projects and they did a great job decorating the City for the Christmas season. On a side note, congratulations to Trevor Onyan as he has completed his 3rd year of Electrical Line-worker training. The training is very intense and requires 7,000 documented hours. Hang in there Trevor; you're almost there.

A special thanks goes out to Dr. Patrick Costello. Patrick raised a significant amount of money, and with a match from the Sherrill-Kenwood Community Chest, paid for and donated a nearly half mile paved pathway at Robertson Park. It looks great and is being used regularly already.

Lastly, thanks to Michael Holmes, Tricia Rossi, Lorie Ray, Chief Robert Drake, Rob Mumford, Kevin Mumford, Sara Getman and Greg Talbot. Without all of you and the rest of the city crews, my job would be so much more difficult.

Merry Christmas and a blessed holiday season. I wish you peace, joy, and all the best that this wonderful Christmas season has to offer.

Account Clerk/Typist Position- The City of Sherrill will have a job opening in 2016. The full-time position will be responsible primarily for, but not exclusively, the utility billing for the City. Other job duties include bank deposits, typing correspondence, analytical and summary spreadsheets, accounts payable, daily interaction with the public and all other general office duties. The position is a Civil Service position and the successful candidate will have to take and pass the appropriate Civil Service exam prior to or after appointment to the position. Persons interested can submit a resume to the attention of Michael Holmes at Sherrill City Hall, 377 Sherrill Road, Sherrill, NY 13461 or e-mail to mholmes@sherrillny.org by Friday, January 15, 2016.

Assessor's News

March 1, 2016 is the deadline for filing certain property tax exemption applications with the Assessor's office. Many exemptions including the Senior Citizen's and Enhanced STAR exemptions do not automatically renew and require annual applications and proof of qualifying income.

The Senior Citizen's exemption, with far lower income limits than the Enhanced STAR exemption, is normally based on the previous year's income. For the Senior Citizen's exemption, you must provide proof of your previous year's income using a form such as SS-1099 in addition to tax returns. Please also bring in receipts for out-of-pocket unreimbursed medical and prescription expenses which are used to reduce your income. These expenses include dental, health insurance premium payments, eyeglasses, hearing aids and others as defined by the IRS.

For Enhanced STAR the required age is 65 regardless of when you turn 65 during 2015, and 2014 income. Those applying for an Enhanced STAR exemption may participate in a program whereby the Assessor's office is automatically notified in future years by the State regarding the income eligibility of the applicant. This process is only useful for those filing NYS income tax returns. Applications for the Income Verification Program are available at the Assessor's office. This process cannot be used for any other income-related exemption including the Senior Citizen's exemption.

The Basic STAR property tax exemption, which is not based on age, must be applied for although renewal is not necessary. If you have recently purchased a residence in Sherrill or have not previously applied for the exemption, you may qualify for this significant property tax exemption designed to lower your school tax bill. The residence must be your primary residence to qualify for Basic STAR. Bob Comis, Assessor for the City of Sherrill, has set the following dates and times to process exemptions at City Hall by the March 1 deadline: January 6 & 7- Enhanced STAR; All exemptions- January 28 & 29, February 10-12, 16-19, 23-26 & 29, 9am-12pm; changes to this schedule will be posted at www.sherrillny.org. An appointment can be scheduled by contacting Bob at 264-6362 if that is more convenient. Property owners considering construction next year are welcome to meet with Bob to discuss the potential change to your City assessed value.

The Town of Vernon Assessor's Office, located in Vernon Town Hall, welcomes inquiries from all town property owners, residents, and taxpayers. Sherrill residents can receive some of the same services that they receive from the Sherrill Assessor's Office at the Vernon Office, including assistance relating to exemption applications. The Vernon Assessor's hours are Monday & Thursday, 9am-2pm through February. Frank Laguzza, 829-2587, is Chairman of the Vernon Board of Assessors.

What is the Sherrill Rotary Club?

Sherrill Rotary is a community service club that was founded in 1954. Each year the club gives scholarships to VVS seniors, and Rotarians sponsor and lead the VVS Interact Club. Sherrill Rotary sponsors a little league team, Boy Scout troop and supports the VVS FFA. Fundraising events include selling refreshments at the Sherrill fireworks night each summer and the VVS Community Day each fall. The more than 35,000 Rotary clubs in more than 200 countries that make up Rotary International, and its partner organizations, are responsible for the eradication of polio throughout most of the world. If you're interested in learning more attend a Sherrill Rotary Meeting or email SherrillRotary@gmail.com. Meetings are held at 6pm on 1st & 3rd Thursdays at the Sherrill Legion, and at 7am on 2nd, 4th & 5th Thursdays at Nothin' Fancy Café in Vernon. Consider joining Rotary- it feels good to be a Rotarian!

Sherrill Garden Club News

The club meets monthly at the Sherrill Library at 7pm. On 1/5 the club will review its committees and discuss programs for the year. On 2/2 Joyce Doebler, Master Gardener, will discuss techniques to create a garden specific to its location using colors for flow and continuity from one section to another. On 3/1 Mary Anne Lorenz, Master Gardener will discuss square foot gardening. This technique uses a small but intensively planted area as with raised beds in situations when soil is poor or for those with disabilities. Visitors are always welcome.

Baseball History

Baseball historian, Carl Sofranko has been investigating the reports of Babe Ruth's visit to Sherrill and what is now Noyes Park during the early 1900s. Carl's father Mike Sofranko worked for Oneida Limited and played on the company baseball team from 1940-1949. If you have any stories, newspaper articles or pictures that might add clarity and authenticity to the Babe Ruth story contact Carl, (337) 543-8866 or skyhunter1usa@yahoo.com.

Boy Scout Troup 30 News

Last winter the troop enjoyed sledding and winter cabin camping at Camp Russell. After that Troop 30 couldn't continue because there weren't at least 5 registered scouts. Instead 3 scouts continued under the lone scout status which enabled them to do bike hikes at Verona Beach State Park and see huge eagle nests and also helped complete Walter Schmidt's cycling merit badge, his final badge on his trail to Eagle Scout. He then led the scouts in a service project and designed and organized the building of a Horse Hitching Post at the Vernon Town Hall so the Amish to have a place to tie up their horses when they visit. Walter was awarded the Eagle Scout Award in July! Congratulations on this remarkable achievement! Only 4 percent of scouts reach the rank of Eagle. In the past 10 years Troop 30 has had 13 Eagle Scouts. It has been so rewarding watching the boys start as cub scouts and turn into fine young men. Thank you to the wonderful dedicated staff- Mr. Scott Case, Merit Badge Leader, Mr. Walt Schmidt, Assistant Scoutmaster; Mr. Tom Fletcher, Treasurer and Mr. Bill Desnoyers, Advancement Chairman. Thank you also to the Sherrill Rotary for their generous support. After 15 years Bill Beal is passing the baton and retiring as Troop Scoutmaster and hopes families realize how important and fun scouting is and someday restart Troop 30. Thanks for the memories and the warm friendships in this great community!

Oneida Silverware Ads Exhibit at Mansion House

On exhibit through June 2016- "Oneida Silverware Ads by Coles Phillips, 1911-1924." This exhibit, curated by Tony Wonderley and Molly Jessup with panel work by Don Cornue, features the illustrations that helped disseminate the company name worldwide. The display includes a representative selection of advertising from 1913- the year Phillips created the most material for Oneida; as well as the central image of the 1915-16 campaign intended to "brand" the Oneida name. Once home to the 19th century utopian Oneida Community (1848-1880), today the 93,000 square foot Oneida Community Mansion House houses a museum, residential apartments, overnight lodging, and banquet and meeting space. Guided tours are available Wednesday through Saturday, 10am-2pm and Sunday at 2pm for a nominal fee. Self-guided tours may be taken during regular business hours. The Mansion House is located at 170 Kenwood Ave. For more information call 363-0745 or visit www.oneidacommunity.org.

From the Fire Department

It's time to prepare for winter...

(From New York State Winter Preparedness guide)

Fire Safety- Wood-burning stoves, fireplaces and heaters can add a cozy glow, but make sure you are using them safely.

1. Always keep a screen around an open flame.
2. Never use gasoline to start your fireplace.
3. Never burn charcoal indoors.
4. Do not close the damper when ashes are hot.
5. When using alternative heat sources such as a fireplace, woodstove, etc. always make sure you have proper ventilation. Keep curtains, towels and potholders away from hot surfaces.
6. Have your chimney checked before the season for creosote buildup- and then clean it.
7. Have a fire extinguisher and smoke detectors? ...make sure they work. Establish a well-planned escape route with the entire family.

Carbon Monoxide Poisoning- Carbon monoxide poisoning is a silent, deadly killer claiming about 1,000 lives each year in the United States. Such common items as automotive exhaust, home heating systems and obstructed chimneys can produce the colorless, odorless gas. The gas can also be produced by poorly vented generators, kerosene heaters, gas grills and other items used for cooking and heating when used improperly during the winter months.

1. **NEVER** run generators indoors. Open a window slightly when using a kerosene heater.
2. **NEVER** use charcoal to cook indoors.
3. **NEVER** use a gas oven to heat your home.

Symptoms of carbon monoxide poisoning include sleepiness, headaches and dizziness. If you suspect carbon monoxide poisoning, dial 911.

Pancake Breakfast- Tired of cooking breakfast? The Fire Department will be holding a pancake breakfast at the station February 7, 8am-12pm. Join us and leave the cooking to us!

Fire Hydrants- Please keep the hydrants near your house clear of snow. This could save firefighters precious minutes if a structure fire should occur. Remember that the house you save could be your own.

The department is looking for new members. If you have ever wondered how you could help your community, consider joining. If you are 18 years of age or older (male or female) please call 363-0530 for more information. We also have a junior firefighter program for young men and women who are 16 years or older.
