BOARD OF ASSESSMENT REVIEW

Mayor Vineall reported that he has appointed Molly Foster as the new member of Sherrill's Board of Assessment Review, her term will expire September 30, 2024.

POWERLINE EASEMENT

M. Holmes reported that all indications are that the City will be able to utilize the existing City of Oneida sewer easement to install the underground distribution lines on Skinner Road. We are still waiting to receive the agreement back from the City of Oneida's attorney so that we can begin work. The beneficial thing about that is that Mr. Fowler won't have to worry about a second easement in his backyard and since he noted at last meeting that he doesn't have a problem with the City using the current sewer easement, he was hoping to avoid the second easement on his property, so this will work out for both sides.

Motion was made by D. Hyle and seconded by T. Dixon to adjourn.
