

Program Details

The City of Sherrill is offering commercial and industrial customers financial incentives (rebates) for energy efficiency projects. The program's goal is to promote investment in new high-quality lighting, motor equipment and heat pumps at a very high level of electrical efficiency.

Do I qualify to participate in the Commercial & Industrial Customer rebate program?

Commercial and Industrial customers classified as Service Class 2, 3 and 5 in the Sherrill Electric service territory are eligible to participate in the program.

How do I participate in the Program?

If the total rebate is \$2,499 or below, all you need to do is submit the rebate form, original purchase receipt and the Energy Guide label or proof of energy rating. If the rebate is greater than \$2,500, please call ahead. Rebates are limited to \$5,000 per customer, per year.

*Proof of disposal of electronic equipment to an authorized recycling facility or the Oneida Herkimer Solid Waste Authority is required before rebate can be processed.

How will I receive rebate?

Rebates will be sent out in the form of check. Make sure you communicate your mailing address and not just the physical address of the facility!!!

What is not included in the rebate?

Cost of installation.

Conditions of Offer

The City of Sherrill is not liable for and does not guarantee the performance of any product, the actions of any contractor who installs a product or energy savings associated with products. The customer is responsible for payment of all taxes associated with this program. The City of Sherrill reserves the right to terminate or modify this program anytime. The City of Sherrill reserves the right to inspect any job conducted under this program.
