SHERRILL KENWOOD LIBRARY PRESENTATION

Daryk Macrina, Mary Kay Junglen, Katie Falkenmeyer and Lauren McDonald from the Sherrill Kenwood Free Library were in to make a presentation to the City Commission and the public regarding their plans to tie in their operations funding to the VVS School taxes. They have a proposition that VVS School District voters will consider on a ballot on June 1, 2022. If the proposal passes, then going forward their budget will be funded with the VVS School taxes. If this happens the funding will be spread over the entire school district, currently over 90% of their patrons are from the school district with roughly 59% exclusively from Sherrill. The Commission wished them good luck.

BID – SALE OF OLD DUMPSTERS

B. Lovett reported the two dumpsters that the City was going to scrap were put out to bid just to see if there was a market for them. There was one bid received from Dan Baker for \$100, Lovett said that was about the scrap value of them. Motion was made by D. Hyle and seconded by P. Hubbard to accept the bid from Dan Baker for \$100.
