AUTHORIZE FUNDS TRANSFER

M. Holmes reported that the 2022 budget allowed for a new fire chief's vehicle and \$35,000 was budgeted. The vehicle was not purchased or ordered because of the pricing and available models. Additionally, the fire department is looking to replace the rescue vehicle in the next year or so. The Commission in conjunction with the fire department thought that the rescue was of higher urgency. A motion was then made by T. Dixon and seconded by J. Shay to not encumber those funds for a chief's vehicle, but rather transfer it to the Equipment Reserve for fire equipment.
