

City of Sherrill – Employment Opportunities

1. Electrical Division Line Worker

The City of Sherrill, New York, an equal opportunity Employer, is seeking a qualified candidate to serve as an Electrical Division Line worker within Sherrill Power and Light.

The City of Sherrill Electrical Division Line worker position offers a regular work schedule. With the obvious call backs for emergency situations. Call backs are generally low as Sherrill Power and Light prides itself on a high level of maintenance and system reliability/resiliency.

If you are interested in working with a small team of experienced Line workers, this position may be for you.

MINIMUM QUALIFICATIONS: CERTIFIED JOURNEYMAN LINE WORKER. POSSESSION OF VALID CDL-B DRIVERS LICENSE.

This is a full-time, NYS Civil Service non-competitive position. The starting hourly rate for the line worker position is \$31.43.

In addition to the competitive pay, there is an excellent benefits package that includes New York State Retirement, medica/dental and vision insurance as well as paid time off (Vacation/Personal/Sick).

2. Electrical Division Line Foreman

The City of Sherrill, New York, an equal opportunity Employer, is seeking a qualified candidate to serve as an Electrical Division Line Foreman within Sherrill Power and Light.

The City of Sherrill Electrical Division Line Foreman position offers a regular work schedule. With the obvious call backs for emergency situations. Call backs are generally low as Sherrill Power and Light prides itself on a high level of maintenance and system reliability/resiliency.

If you are interested in working with a small team of experienced Line workers, this position may be for you.
