AUTHORIZE THE LISTING FOR SALE – 2012 INTERNATIONAL DUMP TRUCK

Lovett reported that the City has had a major issue with the 2012 International dump truck that will cost anywhere between \$25,000 and \$45,000 to repair with no guarantee that there will not be future problems, a lot of it is emission problems and the engine. The City has ordered a new dump truck that will be coming in in late 2024 or early 2025. The initial plan was to see the 2004 and keep the 2012, however, it is the Superintendent’s opinion that the 2004 is worth more and will be a better truck for use as a third (emergency) truck in the rotation. Motion was made by C. Niles and seconded by K. Sayles to see the 2012 International dump truck on Auctions International.

Motion was made by B. Piccola and seconded by K. Sayles to adjourn.
