

Fall 2024 Newsletter

315-363-2440
www.sherrillny.org

From the City Manager Brandon M. Lovett

This summer, our city crews have once again delivered exceptional results across a range of citywide projects. Notably, our road paving efforts commenced and concluded in June, with the much-anticipated paving of Thurston Terrace.

In addition to resurfacing Fairway Lane, we successfully connected all homes on Fairway Lane to a newly installed high-density polyethylene (HDPE) water main, which was completed last summer. Furthermore, we saw the long-awaited Route 5 project kick off, with an anticipated completion by this fall. This project will create a new pedestrian corridor extending from Betsinger Road to Sherrill Road.

A heartfelt thank you goes out to Oneida County and County Executive Anthony Picente for their financial partnership through the County Main Street program, which has been instrumental in making these improvements possible.

There are only four green waste collection dates remaining for 2024: September 9, September 23, October 14, and October 28. Homeowners can also drop off green waste at the DPW Garage on Elmwood Place at any time.

Curbside leaf collection is set to begin in late October and will continue into early November. Stay tuned for more details, which will be shared on the City's website, Facebook, and via email blast as the season approaches.

Our Recreation Department is bustling this fall with exciting events and activities! Join us for our Annual Fall Touch-a-Truck event at the CAC on Columbus Day. NFL Flag Football is also making a return this season.

Don't miss Fall Fest on Saturday, September 14th, featuring live music, food trucks, Copper City Brewery, and a spectacular fireworks display.

This year, we faced some challenges with our 54-year-old pool. To address these, we will have a structural engineer assess the pool's condition during the offseason to

understand the necessary repairs better.

Looking ahead, the City is considering resurfacing our tennis, pickleball, and basketball courts in 2025 to ensure they meet the community's needs.

In late fall or early winter, we will host an "All Things Recreation Meeting" at the CAC. This meeting will be an opportunity for residents to share their ideas for recreational programs and learn about the process for organizing events and utilizing City facilities.

As always stay tuned to sherrillrec.com for more details on these events and opportunities!

In June, the City introduced a new street sweeper and invited the community to help name it. We received an impressive three dozen name suggestions. The Commission selected the top names, and the final choice was put to a vote among residents. We're excited to announce that the winning name is Sweeping Beauty.

Additionally, we've received exciting news about the Fire Department's new rescue truck. The cab and chassis are now in, and Stonewell has begun the buildout. We anticipate the new rescue truck will arrive late next summer and will replace our 22-year-old rescue truck, which handles approximately 300 calls per year.

Wishing everyone a joyful fall season! Let's hope we enjoy a few more weeks of summer weather before the full swing of autumn arrives!

Regards,

Brandon M. Lovett

Did you get one of these on your door?

Give us a call at City Hall (315) 363-2440 to set up an appointment. The inspection only takes 5 – 10 minutes to complete.

To Our Resident / Utility Customer

The Sherrill-Kenwood Water District is performing a mandatory service line inventory as required by the State and Federal government under Section 1412 of the Public Health Service Act or also known as the Safe Drinking Water Act.

Customers will have two options to comply with the regulation:

Contact City Hall to set up a quick inspection by a SKWD staff member.

Self-inspection of the service line. You can reach the water department @ 315-363-0754 or email mjansen@sherrillny.org for more information to complete the self-inspection.

Sherrill-Kenwood Volunteer Fire Department News

Membership- The department is always looking for new members. If you're interested in EMS, firefighting or scene support and are 18 years or older for adult membership or 16 years for junior visit the station during weekly Wednesday night drill at 6:50pm.

Sherrill Garden Club News

"The Sherrill Garden Club meets on the first Tuesday of the month at 6 PM at the Sherrill-Kenwood Library. The business meeting takes place after the speaker or program. Meeting hosts provide refreshments, a seasonal table decoration, Garden Topic and World Gardening prize.

The September 3rd meeting features Polly Anderosa, Master Gardener, who will speak on Victorian Gardens and their love of plants, travel and innovation. Hosts for the meeting are Fran Durant and Jo English. On Tuesday, October 1st, Master Gardener, Linda Sturtevant, will share her love of herbs in a unique presentation on Herbal Folklore. Meeting hosts are Val Scott and Joyce Smith.

On November 5th, SGC member Rebecca Pease will show many methods of Propagating Plants; meeting hosts are Loretta and Steve Szczygiel. All meetings are open to members of the community to learn more about the meeting topic and about the Sherrill Garden Club. For more information, call or text Bernadette VanValkenburg at 315-263-7138."

Police Department Reminders

- Please remember to keep car doors locked, especially at night, even when they are parked in your driveway.
- Anyone going door-to-door selling a service needs to obtain a Vendor/Solicitor Permit through the City of Sherrill. Please report this if the person does not have one readily available.
- Be aware of pedestrians. Pedestrians are encouraged to wear reflective gear and use reflective gear for pets after dark.
- Please be aware of scams. Do not give out information unless you can verify the request.
- Please honor leash laws, pick up after pets and license your dogs.
